Safari in South Africa

Experience the thrill of close-up encounters with wildlife in South Africa’s national parks and game reserves. From lions lazing in the sun to herds of elephants swishing their tails, you will see a variety of African wildlife in their natural habitat. Your journey will begin in Cape Town and continue through the scenic landscapes of the Cape Town Wine Route, where you will enjoy a guided Cape Winelands tour and sample some of South Africa’s finest wines.

Victoria Falls

The Zambezi River’s thundering waters create a breathtaking spectacle at Victoria Falls. This is one of the most powerful waterfalls on earth, and you will have the chance to take a guided tour of the falls and learn about their fascinating history.
